A Prayer for our Nation!

Our Father, Who lives in heaven and in our hearts. We love You and are still amazed at how You love your children. We bear Your image and Your handiwork. We thank You for Your promises sealed in a covenant to bless, guide and protect Your children.

Our people are under attack here and abroad and it's an enemy that's so small it can only be seen through a microscope, so small, yet producing so much fear in Your world...

We thank You for the doctors, nurses and scientist who are working around the clock to find a cure... surely every good and perfect gift we have comes from You. Bless them with strength and wisdom from Your mind to theirs, I know You want this to end as quickly as we do...
We also lift up the heads of our governing process and ask for wisdom and discernment for them, I cannot imagine the pressure they are under right now, trying to protect and provide for us... we speak life and peace to them and their families...

We the people of the cross, the people of the new covenant now exercise our right, our freedom and our duty to pray together, lifting our voices as one. We proclaim this small infectious virus to leave our realm, you may be a new strain to science but your root cause and beginnings were swiftly dealt a catastrophic blow when the God of the universe adorned Himself with vulnerable flesh and defeated you and all of your spawn at Calvary!!!

We the people speak life not death, health not sickness, abundance not scarcity and most of all PEACE to this storm that would try to rob us of church services, sports gatherings, education and jobs for our people...

We Proclaim that all men were created to thrive and live and worship and celebrate, therefore we do not give in to fear or worry, rather we stand in solidarity around an empty tomb, an empty cross and a defeated enemy!

We ARE delivered! We ARE the children of the One Who delivers! We ARE the heirs of the One who conquered it all! We give You glory for the amazing grace, love and healing that You provided for us through Your Son, Jesus Christ!!!

Can I get and amen and a Hallelujah from someone? Be blessed and BE a blessing!
